TECHNICAL SKILLS

Swift, Objective-C, CSS, HTML, MVC Architecture, CocoaPods, Firebase, JSON Parsing, Google Maps Platform, Google Cloud Platform, Xcode, Git, Sketch, Adobe Creative Suite, Zeplin, InVision

EXPERIENCE

Ampersand, San Francisco, CA — *iOS Developer & UI Designer*

MARCH 2017 - PRESENT

- Developed an image based news feed app that showcases news parsed from newsapi.org with asynchronous download and display.
- Architected and implemented custom collection views of cached images and parsed data.

RouteRanger, San Francisco, CA — *iOS Developer & UI Designer*

MAY 2017 - DECEMBER 2017

- Developed social networking app for the motorcycle adventurer. Along with way-finding, users can share images and notes tagged along the route. <https://routeranger.world/>
- Implemented map features to create past routes and real-time tracking with Google Maps SDK.

Veedu, San Francisco, CA — *Lead UI Engineer & UI Co-Designer*

APRIL 2017 - MAY 2017

- Developed a full stack iOS mobile app allowing users the ability to shop for home goods and interior decor. Users can search, filter, favorite, add to cart and make purchases while vendors can upload new items and monitor inventory.
- Designed and implemented UI with a sensitivity towards user experience in following of best practices

Minted, Hayward, CA — *Production Manager*

AUGUST 2015 - JUNE 2016

- Analyzed and prepared data to determine team productivity, product costs, and vendor SLA compliance.
- Oversaw multiple production sprints and increased home decor departmental performance.

Various Photo and Fabrication Studios, Bay Area & Los Angeles, CA — *Lead Set Builder & Sculptor*

2010 - 2015

- Collaborated with clients, designers, and fabricators to execute production criteria and scheduling.

California College of the Arts — *2nd Bachelor's Degree*

SEPTEMBER 2006 - MAY 2010

HNTB Aviation, Los Angeles, CA — *Aviation Engineer*

JUNE 2004 - AUGUST 2006

- Contributed to the design and reconstruction of various west regional airports with partnered client vendors.
